

**Integrated knowledge on coeliac disease:
identification of problems and opportunities
17th and 18th of February 2006, Naples, Italy**

Friday 17th February 14.00-18.30
14.00 Welcome <i>ML Mearin (Holland) and R Troncone (Italy)</i>
14.05-14.15 What is CDEUSSA? <i>ML Mearin (Holland)</i>
14.15-15.45 Immunology <i>Chair: F Koning (Holland) and M-L Hammarström (Sweden)</i>
14.15-14.40 Gluten peptides and celiac disease <i>F Koning (Holland)</i>
14.40-15.05 Mucosal T cells, cytokines and mechanisms of damage <i>M-L Hammarström (Sweden)</i>
15.05-15.30 The role of innate immunity <i>N Cerf-Bensussan (France)</i>
15.30-15.55 Animal models <i>H Tlaskalova (Czech Republic)</i>
15.55-16.15 General discussion
16.15-16.45 Coffee & tea
16.45-18.00 Epidemiology & Genetics <i>Chair: L Greco (Italy) and A Ivarsson (Sweden)</i>
16.45-17.10 What's new in the epidemiology? <i>J West (UK)</i>
17.10-17.35 HLA- and non-HLA related risk <i>L Greco (Italy)</i>
17.35-18.00 General discussion and conclusions of the day <i>H Szajewska (Poland)</i>

Saturday 18th February 9.00-11.00 Clinical aspects <i>Chair: CC Mulder (Holland) and I Polanco (Spain)</i>
9.00-9.25 The spectrum of coeliac disease <i>R Troncone (Italy)</i>
9.25-9.50 Should we treat asymptomatic people? <i>K. Kaukinen (Finland)</i>
9.50-10.15 Health-cost evaluation of mass screening in Europe <i>E Bravi (Italy)</i>
10.15-10.40 The biological properties of gluten <i>L Gilissen (Holland)</i>
10.40-11.00 General discussion
11.00-11.30 Coffee & tea
11.30-13.30 Prevention and treatment <i>Chair: H Szajewska (Poland) and S Auricchio (Italy)</i>
11.30-11.55 Infant feeding and the option of prevention <i>A Ivarsson (Sweden)</i>
11.55-12.20 Treatment using bacterial endopeptidases <i>M Gobetti (Italy)</i>
12.20-12.45 Tolerance to gluten: why is it lost? How to reestablish it? <i>A Mowat (UK)</i>
12.45-13.10 New possibilities to treat <i>L Sollid (Norway)</i>
13.10-13.30 General discussion
13.30-14.30 Lunch

14.30-18.15 An European platform for celiac disease <i>Chair: B Jarry (Belgium) and M Stern (Germany)</i>
14.30-14.55 The point of view of the food industry <i>J Bindels, Nutricia International</i>
14.55-15.20 The point of view of the patients <i>Ch Scerri (AOECS)</i>
15.20-15.45 Science and regulations <i>M Stern (Germany)</i>
15.45-16.15 Coffee & tea
16.15-18.15 The way ahead <i>Chair: C. Ribes (Spain) and R. Shamir (Israel)</i>
16.15-16.40 CDEUSSA platform for coeliac disease <i>ML Mearin</i>
17.20-18.00 General discussion Planning the work of the European platform for coeliac disease
18.00-18.15 Conclusions of the workshop <i>H Szajewska (Poland)</i>
20.00-23.00 DINNER
